Community-Based Adult Services (CBAS) Centers Must Comply
with the Federal Home and Community-Based (HCB) Settings
Requirements by March 17, 2019

This packet contains the following information you need to know:

1. [CBAS All Center Letter \(ACL\) #15-07](#) – “Home and Community-Based (HCB) Settings Requirements-New Focus for CBAS Center Monitoring and Surveys”
2. [Fact Sheet](#) on the new federal HCB Settings requirements affecting CBAS - to be posted, distributed and discussed with CBAS participants and their family/caregiver/authorized representative
3. [CBAS Participant Rights](#) - to be posted in the CBAS center and discussed/distributed to every CBAS participant (or their authorized representative) at the start of participation at the CBAS center
4. [CBAS Provider Self-Assessment Survey](#) – to be completed online by the CBAS provider at the time of the CBAS center’s certification renewal application process. CDA survey staff will validate the center’s survey responses during the center’s on-site certification renewal survey.
